## President's Letter

Hello Artists!

We are living in a time of change everywhere, including the art world. New ideas arise every day for interesting subjects, new media and new methods for showing and marketing our art. As it has in so many other fields, the Internet has dramatically changed our opportunities.

Your team is working on new show venues and sales methods, in order to be a leader in the future of art here in Scottsdale and the surrounding area. This is accelerating our need for more leaders to manage these new opportunities and to manage some of our core responsibilities.

The more members we have and the more art we sell the more we will be able to achieve our goals to serve our artists and the greater art community. Please consider serving a term or more as a leader in the Scottsdale Artists League. Contact me or speak to me at our next meeting.

Best regards,

Pat
